- Customizable notifications
- Searchable help center content
- Patient and case notes

"I find that the portal is very user friendly, easy to understand and easy to fill out...

It's so intuitive and it's web-based... and they have an open system where you can use any scanner."

Dr. Diane Milberg

"The idea that you have one online platform with all of your treatments is hugely beneficial for us as doctors."

Dr. Christian Groth

100%* of surveyed doctors **agree** that 3M offers **excellent** customer support.
