ELITE Chose This Vendor Because...

- They care about the long-term relationship, not just the transaction.
- They have been a trusted referral source for CWA for over 15 years.
- NDP has expert teams to facilitate private and corporate transitions.

Things To Consider

- There is a significant difference between selling to a private buyer and a corporate buyer. Make sure you have someone helping you understand those differences.
- NDP will negotiate the quality and specifics of each deal, but recommends you work with a skilled, financial planner (like CWA) to help manage your global financial plan.
- NDP is available to all dental specialties.
